The Milwaukee Numismatic Society, founded in 1934, is the oldest and largest organization in Milwaukee devoted to the study of money. Meetings are held at 7:00 PM on the third Thursday of each month in the Community Room on the lower level of Mayfair Mall (W. North Avenue at N. Mayfair Road). The annual MNS coin show is held in October.

January Coin of the Month: For January we offer a mint-packaged 2005 Westward Journey 6-nickel set complete with a certificate of authenticity. This neat set is encased in a plastic holder. Starting price is just \$6 for the set.

January 2020 MNS President's Message

I hope that everyone had a wonderfully rested holiday and that you are now ready for the New Year. Our numismatic events calendar lists a full range of shows to attend as we head through the end of winter and into the spring, culminating again with the annual CSNS show in Schaumburg. Get out of the house to spend time with fellow collectors and see what new items are awaiting your discovery on the bourse! You never know who or what might turn up at one of these shows, especially the smaller local shows.

Fantasy numismatic winners were announced at the December meeting. That means it is now time to complete your submissions for the 2020 calendar year. General rules remain the same as outlined on the entry blank: there is a \$25,000 buying limit, and any regular issued coins from the January 2020 issue of Coins magazine can be purchased. Copies of this issue will be made available for use at the upcoming meetings. We had a new first place winner this year, stripping Jim. H. of his multi-year title. Entry blanks should be submitted to Leon S. by the March meeting. Good luck!

We don't have anything particularly special planned for the January meeting, just the officer inductions. If you received a special numismatic gift over the holidays or forgot to bring something in for show and tell last month then please consider doing so for January. We pick up with more educational programming at the February and April meetings. If anyone has suggestions for a March meeting program or wants to volunteer as a presenter then please let me know.

We have plenty of openings for refreshments in the coming year. If you regularly attend the monthly membership meeting please consider pitching in to do your part by volunteering to bring refreshments for at least one month out of the year. You are reimbursed up to \$65 and you certainly don't have to plan anything elaborate: chips, cookies, and soda are more than adequate and actually preferred. Plates, cups, and utensils are all supplied by the Club. Please do your part in helping the MNS thrive as a successful organization.

Happy Collecting,
Justin J. Perrault

Demand Brisk for Half Dollar Commemorating State Affairs

MADISON, Wis., Aug. 24.—The demand for the new half dollar, which will commemorate the state's territorial centennial, is brisk. Orders for the coins are being received from all over the state, and the demand is expected to be even more brisk when the coins are first put into circulation.

Wisconsin territorial towns have half dollars have given the offices of the state department of public instruction, the appearance of the banking department, its next door neighbor in the state capitol.

Congress authorized the minting of 25,000 50 cent pieces to commemorate the state's territorial centennial, and before the coins arrived in Madison advance mail orders for more than 15,000 of them had been received and new ones are coming in at the rate of about 100 a day. Last week only a few thousand were left.

Cause of Clamor.

What causes the clamor for a mere piece of legal tender?

In the first place the small size of the issue will skyrocket the price far above the selling price of \$1.50 within a year. There are more than 25,000 coin collectors in the United States alone, and when the tardy ones find the issue is sold out they will be willing to pay a premium for one.

To give every Wisconsin citizen a chance to own one of the famous Badger half dollars, the state centennial committee is refusing to sell to dealers in more than small lots for another month.

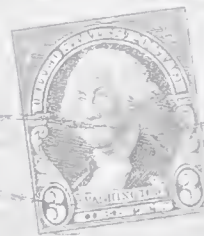

Last week orders were received from the Museum of the Philippines, and from the new Museum of Lithuania, established this year as a center for the entire Balkan area, and Canada has been one of the best buyers of this coin.

Praise From Experts.

The design of the coin has received high praise from artists and experts. "Wisconsin has abandoned the stereotyped," wrote one collector, "and has produced a truly historical coin at last."

Collectors wanting a coin should write to John Callahan, state superintendent of public instruction, state capitol, Madison, and \$1.50 for each coin, plus 7 cents for postage and insurance on the first coin, and two cents for each additional coin.

STATE OF WISCONSIN
SUPERINTENDENT
OF PUBLIC INSTRUCTION
MADISON, WIS.

Oscar Christensen

Dear Sir:

Madison, Wisconsin
Aug 29 1936

The Wisconsin Centennial Half Dollar will be issued at the Philadelphia Mint. There will be but one date and one design; there will not be any Mint marks. The price will be \$1.50 per coin, with postage, insurance, etc. of 7 cents per coin, and 2 cents additional for each coin.

We hope to distribute the coins on August 15, or shortly thereafter, according to information from the Philadelphia Mint.

John Callahan, State Superintendent
of Public Instruction

2019 Year End Results

This year we had fourteen (14) participants, thanks to Leon S. for promoting this at 2019 MNS meetings.

In general the participants as a team did exceptionally well!

Six ended up with positive portfolios, only three had negative results, and five participants broke even. I believe we have a first time winner this year.

This was a very different year as most key date collector coins did not increase in value, along with many large and half cents. These categories are commonly selected every year with mixed results. Another surprise to me was the overall increase with certain silver dollars. This was another year of extremes, both positive and negative. We had substantial increase on one selected coin that went from \$4,150.00 in 2019 to a whopping \$6,000.00 in 2020! A \$1,850.00 increase, chosen by our second place portfolio this year. The coin was a 1909-S VDB Cent in MS65. Below is an Obverse example of that coin type. We also had one coin that dropped \$1,250.00 – wow, and that was a 1796 Draped Bust Dollar SD, SL in AU50! I'm glad I don't have that coin in my safety deposit box!

This year's top fantasy coin selected that had the greatest increase in value in the grade MS65

1909-S VDB Cent in MS65

2019 Value = \$4,100.00

2020 Value = \$6,000.00

A Gain of \$1,850.00

Congratulations to the top of our leader board with positive portfolios, especially our BIG WINNER: Don Kaminski! Now Don has bragging rights again till next year, and he also has even more justification for all of next year's coin purchases.

Good Luck with that Don...! Don't forget to complete your 2020 Fantasy Numismatics Portfolio for next year!

Editorial Comment: I would be very happy to have a 1796 bust dollar of any type in my safe deposit box, regardless of the drop in value.--LAS

Fantasy Numismatics 2020

By Bruce Benoit and Leon Saryan

The concept:

Did you ever want to make a substantial coin purchase for investment purposes, but the only thing stopping you was your available funds to invest? This fun and educational program will enable you to spend up to \$25,000.00 in fantasy dollars on coins, and after a year's time you will find out how you did with the selections you made in your coin investment portfolio. Participants can select coins that they feel will increase in price during the year. This is a fun way to learn how you would do if you had the guts and funds to actually do it, and the challenge of competing against your numismatic buddies.

Rules:

1. All portfolio selections must be only **regular issue coins** produced by the U.S. Mint, and be listed in the January 2020 issue of COINS magazine. (NO COMMEMS, SETS or BULLION)
2. You **can** select up to ten (10) coins, in any listed grade you would like.
3. You **cannot** exceed the \$25,000.00 limit.
4. Once submitted, you **cannot** change your portfolio during the year.
5. Portfolios will be added up using the January 2021 issue of COINS magazine.

To participate, use the January 2020 issue of COINS magazine price list and portfolio form to select the coins you would like to invest in. Be sure to turn in your portfolio prior to the **deadline** (end of the March 2020 meeting). Portfolios can be given to Leon Saryan to forward to me. You can track your portfolio results with each issue by subscribing to COINS magazine. Prizes will be awarded to the top performers at the years end, and they will have bragging rights all year!
